228 PRIZE EXHIBITS

Splendid specimens from the AGS's first seven shows in 2016.

COVER PHOTOGRAPHS

FRONT *Iris paradoxa* (Liz Knowles).

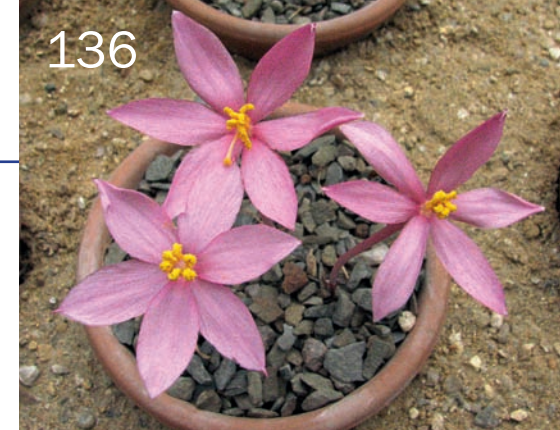

BACK *Iris lineata* (Liz Knowles). This image looks as though it has been digitally squeezed but is in fact a true representation of the flower.

ON THESE PAGES

LEFT *Saxifraga x luteo-purpurea*; *Iris meda*; *Fritillaria pyrenaica* with *Berberis x stenophylla* 'Corallina Compacta'.

RIGHT *Gethyllis transkarooica*; *Physoplexis comosa*; *Grevillea coccinea*.
