This month sees the welcome return of David Hazlegrove to talk to us about

'Exploring Tibet'

A view of one of the benches at the AGS Show at Hyde Hall on the 23rd.

It was great to see plants back on the bench again after all this time and to see all that colour in the hall.

I hope everyone is looking forward to and preparing for the Early Spring Show next year, which I am told on good authority will be on March 19th 2022.

Many thanks to Barry for a very interesting talk on the Picos de Europa at our last meeting.

A lovely photo from Ruth, Colchicums along the bank of the river Lark at Fullers Mill.

Plants on display at the September meeting.
