

ALPINE GARDEN SOCIETY

SURPLUS SEED ORDERS 2022 - 2023

PLEASE READ THESE NOTES CAREFULLY BEFORE COMPLETING YOUR ORDER

The cost of surplus seed is stated in the table below. There is a minimum order of 20 packets, but no maximum order. Surplus seed will be selected randomly within genera. Please indicate the genera in which you are interested on the application form overleaf. Selection of specific numbers cannot be made in surplus orders. Please be aware that some genera are in very short supply after the main distribution, and we request that you include a **minimum of 5 genera on your list, and at least 10 genus choices for orders over 50 packets**. If you do require larger quantities of seed please enclose an additional sheet with more genus choices. You can also choose to have a random selection from the complete list or a combination of selected genera and random choice. If you don't supply us with enough choices to make up your order, then we may have to make up your order with a random selection. Applications cannot be accepted after 6th January 2023.

US members must mail a green and yellow label and a full copy of their import permit (all pages) for every 50 packets that they order. If US members wish to order seed online, they must insert their permit number as printed on their green and yellow label and then mail or email their permit(s) and green and yellow label(s) to diane.clement@agsgroups.org

ALL MEMBERS, both HOME and OVERSEAS, are required to pay for Surplus Distribution seed. Payment for seed is easiest if you order online. Alternatively, payment should be sent with the application form to the AGS Centre. All cheques must be made payable to 'The Alpine Garden Society'. We can only accept sterling cheques from a UK bank. Cash is acceptable, at your risk but we can only accept Euros or US dollars. It is preferable for all members to order and pay online if at all possible. It saves our volunteers a lot of work, and it is helpful financially.

To save time and cost, please submit your Surplus Seed request with your Main Seed Order if possible, with one cheque payment for both orders. Alternatively please order online, where your payment can be made via WorldPay, our secure online payment system. Ensure that your name, address and membership number are completed on all order forms.

Table of charges

No of packets	UK members	Overseas members
20	£8	€ 10 or \$10
30	£12	€ 15 or \$15
