Our Speaker this month is Liz Livermore, a member of the Bedford group, some may recognize her for taking the entries etc. with her husband at the Early Spring Show. Liz is an excellent grower and shower of alpines and has travelled much of the world looking at plants.

The subject of her talk is 'The Alpine Flora of the Upper Engadin'

Upper Engadin, Swiss Alps

Plant Exchange.
This will be held at Forge Nursery on Saturday September 9th 1:30pm for 2 pm sharp start.

Another really interesting talk last month on the history of the 'Rock Garden' by our friend Tim Ingram

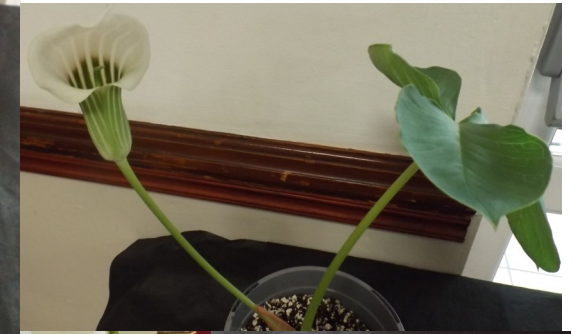

Many thanks to Ray for organising a great afternoon at the Forge. We didn't let the rain spoil things and all gathered in the barn for our picnic. There's Ray in his usual pose, who's got number !!

Don't forget the Mid Anglia Bulb and Plant Sale.

Sunday 20th August 2 until 4pm at Pentlow Mill, Cavendish, Suffolk

It would be most helpful if you could bring your own cups to the monthly meeting - now that we have gone over to the fully recyclable type, they work out to be 8p each - but we will have enough to go around if you don't. Tea/coffee/biscuits/cake etc., will remain part of your monthly capititation, with no extra charge.
