September 2023 Number 553

This Months meeting will be held on Thursday September 28th at the Village Hall, Church Road, Rawreth, SS11 8SH at 8pm.

Doors open 7:30

This month sees the return of Julian Reed to continue his talk on Ferns.

The Plant Exchange was again a success although not as many there as usual, probably put off by the heat, but this time it was held in the barn. Everyone went away with a lot of plants, I think Ray got to about number 12 and there were some great Cyclamen and Rhodohypoxis for sale on the nursery.

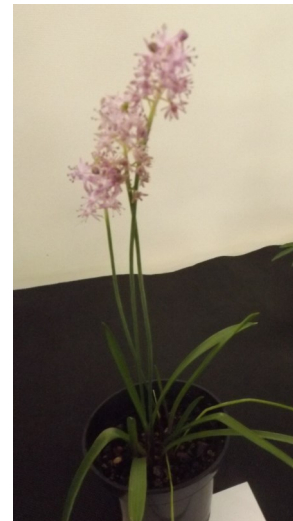

The AGS centre in Pershore has an impressive alpine garden on site. Visitors can see alpine and other hardy plants in a variety of settings (troughs, tufa, rock work, sand beds, a European meadow, ericaceous and woodland areas). See website for opening times.

Best wishes to Mike for a speedy recovery from a knee operation

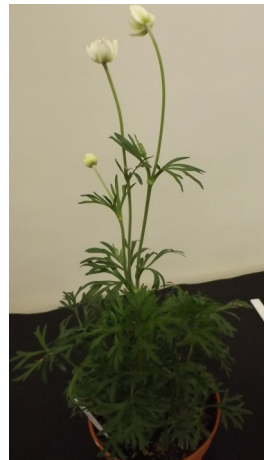

Some of my Cyclamen coming into flower. Quite a few around the garden also, ants must have been busy. Ed.

How Barbara Chapmans Oxalis looks in flower during the day, it's a shame they don't look like this when on the bench in the evening.

August Competition Plants

September Competition

- Class 1. Any Alpine excl. those in Class 2
- Class 2. Alpine showing Seed, Berry or Autumn Foliage
